#### \* A Pulcini glass bird

A Pulcini glass bird,  
designed by Alessandro Pianon for Vistosi, c.1962, with a  
wedge-shaped blue glass body with tangerine stripes and  
murrine eyes, raised on copper legs,  
17cm high

#### Condition Report

Worn copper legs, glass appears okay. Glass appears good,  
copper legs scratched. Please view additional images  
(available on request).

#### Condition Report Disclaimer

A condition report made by us, whether orally or in writing, is a matter of  
opinion, of the seller or Sworders, and cannot be considered a statement of  
fact; our staff are not professional restorers, historian's or conservators.

The condition of an item can vary widely due to factors such as age,  
damage, restoration and repair, their very nature means they are rarely in  
perfect condition, therefore, all lots are sold 'as is'. Whilst all due diligence is  
taken to ensuring the information provided is accurate, we cannot be held  
responsible for omissions, faults, defects, restoration, alteration, variations  
in colour and shades, or changes not identified, and you must satisfy  
yourself (without limitation) as to the condition, age, authenticity, and  
provenance prior to purchasing a lot.

All dimensions and weights are approximate.
