Estimate: £100 - £150 + Fees

A pair of Continental

A pair of Continental, synthetic, colour change sapphire girandole earrings, with an oval, mixed cut, synthetic, colour change sapphire, claw set to the centre in a gold collet, a pierced mitre above, with smaller pierced mitres below, all set with lines of graduated synthetic white sapphires, others claw set in articulated collets with gold pippin-shaped articulated drops, one deficient. 83mm in length (2)

Condition Report

One synthetic white sapphire obviously glued back in. Tested as approximately 9ct gold with very low grade silver. One drop deficient. Light surface marks.

Condition Report Disclaimer

A condition report made by us, whether orally or in writing, is a matter of opinion, of the seller or Sworders, and cannot be considered a statement of fact; our staff are not professional restorers, historian's or conservators.

The condition of an item can vary widely due to factors such as age, damage, restoration and repair, their very nature means they are rarely in perfect condition, therefore, all lots are sold 'as is'. Whilst all due diligence is taken to ensuring the information provided is accurate, we cannot be held responsible for omissions, faults, defects, restoration, alteration, variations in colour and shades, or changes not identified, and you must satisfy yourself (without limitation) as to the condition, age, authenticity, and provenance prior to purchasing a lot.

All dimensions and weights are approximate.
