A Fabergé gold and silver photograph frame

A Fabergé gold and silver photograph frame, of triangular form with indented sides, 'St. Petersburg 1893-1903'. 50 x 53mm. A sky blue guilloché enamel ground, with an oval glazed photograph aperture with a later miniature of a rose spray beneath. A basket of rose cut diamonds with applied three-colour gold swags with split pearl set points. An outer gold border to a mother-of-pearl back with a silver gilt scrolled wire strut. Signed 'Fabergé, workmaster Johan Viktor Aarne, 56 and 88 zolotnik marks, assay master Yakov Nikolayevich Layaplnov'. Original Hollywood fitted case

Condition Report

Outer case dirty. Interior dirty. Interior silk at the hinge deteriorated. Right hand side, lower swag detached at the top point. Historic soft solder repair at this point. No damage or repairs to the enamel. Reverse - one screw deficient to the mother of pearl back. Mother of pearl back cracked at the hinge point. Strut has become detached at this point. Requires re cementing. Please view additional images, upon request.
