An Arts and Crafts silver single stone turquoise cabochon ring

An Arts and Crafts silver single stone turquoise cabochon ring, attributed to Bernard Instone, a circular cabochon of turquoise, rub set to the centre, with entwined, incised leaf and flower head shoulders, unmarked, tested as sterling silver

Condition Report

Ring size K½. Some natural wear to the cabochon, which is only visible with a loupe. One leaf has a hole through it but this is a natural moulding mark.
