Lot 19

A late Victorian silver-mounted and simulated egg scent bottle

A late Victorian silver-mounted and simulated egg scent bottle,

by Saunders & Shepherd, on an unmarked stand, Birmingham, 1887, 6cm long

Provenance: The Tim Wonnacott Collection.

Condition Report

In good order and hallmark clear, however the first part of the maker's mark is a little worn. The stand is unmarked. No visible damage to ceramic egg. Please view additional image, upon request.
