Estimate: £200 - £300 +Fees

A Georgian foiled citrine and diamond cluster,

A Georgian foiled citrine and diamond cluster,

later mounted as a ring. An oval mixed cut foiled citrine, claw set to a border of rose cut diamonds to a silver head, later backed in gold to tapered chevron shoulders and a plain shank. Head 15.0 x 15.7mm, 5.37g.

Finger size L-M (approximately)

Condition Report

Scratches and facet edge wear to the citrine, with a chip to the table facet edge.

Very dirty below the diamonds, three damaged.

Setting edge worn.

One side of the join to the later shank is better than the other.
