1933 Austin 7 RP Saloon

1933 Austin 7 RP Saloon

Registration No: AGK 389

Chassis No: 171068

Car No: B7 4573

Finished in black over maroon with a gold pinstripe, the overall condition of this venerable little Seven is 'older-restored' throughout, with marks, blemishes and paint loss commensurate with age. The interior in marbled red vinyl is in generally good condition and the dash appears complete. Apparently stored for some time, the Austin will need some re-commissioning or light restoration to bring it to running and roadworthy condition. The engine does, however, turn freely by hand and the car rolls. Paperwork included in the sale includes a buff RF60 Registration Document and V5C. Please note that our HPI vehicle check shows that the engine number and chassis numbers have been transposed on the vehicle registration document.
