Viewing: VIEWING

At the time of publication, due to Government guidance around social distancing, we are unable to offer viewing of items in our auction rooms. All lots are extensively illustrated and carry detailed condition reports on our website www.sworder.co.uk. Should you require further images or photographs, please do not hesitate to contact us at auctions@sworder.co.uk or telephone 01279 817778.

These provisions may be subject to alteration as Government restrictions are eased or lifted, so please do check our website for up-to-date information.

REMOVAL OF LOTS

Please note that while we are subject to the constraints of the current lockdown conditions, Sworders have extended the collection time for purchases to 10 working days following the Design Sale (to **Tuesday 9 February**). Please book appointments to collect your lots through our click and collect service.

Furniture will not be sent to Perry Removals for this sale.

Estimate: £4000 - £6000 + Fees

1933 Austin Seven Saloon,

1933 Austin Seven Saloon,

Registration Number: 819 UXJ,

Chassis Number: 175325,

Car Number: B7 8830,

Engine Number: M168454

Painted black over bright red with a red vinyl interior, the overall condition of this Seven saloon is 'fair' overall. The dash and instrumentation appear original with a combination of Lucas and Smiths MA gauges. The engine bay is very presentable and the car started easily and ran very well during our recent inspection, and is reported to have been overhauled and bored to +0.060in. The clutch, back axle and prop are to Ruby specification and P&A Wood restored the radiator. Avon tyres are fitted all round and flashing indicators have been added for safety.

An older restoration, it has seen regular use until recently in its present ownership, over the last fourteen years, having been bought as a non-runner. A number of spares are available with the car including two rear wings, a nearside front wing, back axle and rear prop shaft. Collection from the seller may be required following completion of the sale.

Paperwork includes a current V5C registration document.
