The Night Watch

oil on canvas

90 x 122cm

The original painting is currently at the Rijksmuseum, Amsterdam, where it is undergoing conservation.

Condition Report

Oil on a modern canvas which is unlined. The canvas tension is slightly slack and there are minor deformations at the top edge caused by impact. The paint layer is in a good, stable condition overall. The surface is quite matte and there is an uneven layer of dust and dirt across the surface. There are also spots of white house paint or similar present across the picture.
