#### Condition Report Disclaimer

A condition report made by us, whether orally or in writing, is a matter of opinion, of the seller or Sworders, and cannot be considered a statement of fact; our staff are not professional restorers, historian's or conservators.

The condition of an item can vary widely due to factors such as age, damage, restoration and repair, their very nature means they are rarely in perfect condition, therefore, all lots are sold 'as is'. Whilst all due diligence is taken to ensuring the information provided is accurate, we cannot be held responsible for omissions, faults, defects, restoration, alteration, variations in colour and shades, or changes not identified, and you must satisfy yourself (without limitation) as to the condition, age, authenticity, and provenance prior to purchasing a lot.

All dimensions and weights are approximate.
