A gold Brazilian snake link guard chain,

A gold Brazilian snake link guard chain, with swivel clasp, tested as approximately 9ct gold, 660mm long, 16.80g

Condition Report

The links are worn. There are a number of links that have previously broken and been soldered solid together, in some instances with soft solder.

The swivel clasp is possibly a little small, it is quite fiddly to fit and remove the chain from the clasp.
