Condition Report Disclaimer

A condition report made by us, whether orally or in writing, is a matter of
opinion, of the seller or Sworders, and cannot be considered a statement of
fact; our staff are not professional restorers, historian's or conservators.

The condition of an item can vary widely due to factors such as age,
damage, restoration and repair, their very nature means they are rarely in
perfect condition, therefore, all lots are sold 'as is'. Whilst all due diligence is
taken to ensuring the information provided is accurate, we cannot be held
responsible for omissions, faults, defects, restoration, alteration, variations
in colour and shades, or changes not identified, and you must satisfy
yourself (without limitation) as to the condition, age, authenticity, and
provenance prior to purchasing a lot.

All dimensions and weights are approximate.
