Edward Wilkins Waite (1854-1924)

Edward Wilkins Waite (1854-1924)

A girl by a garden gate, tending to her chickens and ducks signed 'Edward Waite' and dated 1894 I.I., oil on canvas 61 x 51cm

Condition Report

Please condition report: The painting is executed in oil on a canvas support which has not been lined and has an artists' supplier stamp on the reverse. The canvas tension is slightly slack and there are minor undulations across the canvas. The paint layer appears to be in a very good, stable condition with no evidence of damage or loss. The varnish is clear, semi-glossy and even. There is a light layer of dust and dirt on the front and reverse of the canvas.

In general, I would say yes it is in good nic. The frame is period and with a bit of TLC, it would look good, however, intrinsically, it is not of particular importance or value.

the picture comes from a private source.

I hope this is of interest and if I can be of any further assistance please do not hesitate to contact me.

Kind regards, Jane
